Deafness Cannot be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

Indigestion Ends.

You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach if you will occasionally take a little Diapiesin after eating.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Biliousness, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapiesin from your druggist and start taking today and by tomorrow you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

Easy to Mix This.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of bright's disease:

Fluid Extract Dandelion, one-half ounce; Compound Kargon one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic affliction with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acid and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

TWENTY-FOUR years ago today the first issue of THE HAZEL GREEN HERALD was first printed. Since that time we have missed printing 22 issues on account of sickness, failure to receive paper on time, or lack of help. Grover Cleveland was inaugurated President of the United States for his first term. What changes have taken place since!

The Resources of Morgan County.

EDITOR HERALD—Morgan county is fast taking the lead in railroad building, coal developments, lumbering, etc. It is interesting to see the new canal coal mines in operation on the Morehead and Northfork railroad, just completed standard gauge into the Northfork coal and timber fields. In addition to having the greatest area of canal coal to be found at any place, we have more virgin forests of timber—poplar, oak, pine, walnut, ash, hickory, maple, linden, etc., than any section of Kentucky. We have a fine farming country, broad valleys, rich hillsides, and all grow corn and grass to perfection, good stock, hogs, horses, cattle, etc., industrious, prosperous farmers, pretty women and fast fox hounds, good county officers, a superb circuit judge, etc. By the way, our lately elected sheriff, B. South Stamper, today finished executing all his bonds, made good by the signatures of county men of wealth. He did not have to buy a bond by getting a trust company to sign for him. His is the first bond executed by a sheriff in twenty-one years signed alone by resident sureties. All before him have called to their aid a trust company. This speaks well for South Stamper, who is making a good sheriff. He executes the process and makes it hot for violators of the law, and all kinds of fugitives from justice. They must come up and take their medicine or leave the country. He is a sleuth on their trail.

I have no longer murder case to detail to you. All peace, prosperity and brotherly love. You are a good fellow; come live with us and ride with us on our electric road about to be built from here to the railroad. DEMOCRATIC.

Valuable Postal Information.

J. S. McKinley, of Orient, Ohio, president of the Ohio State League of Postmasters, has prepared and issued the following information with regard to the postal service and how the people may help:

When you address your letters or cards with a lead pencil see that the address is plainly written. Most letters lost are improperly addressed; you had better use a pen and ink.

When you address a letter see that you spell the name of the town correctly. Many postoffices have similar names. Don't write Cin. for Cincinnati, or Col. for Columbus.

When you address a letter or card leave room for the stamp and postmark in the upper right hand corner. Postmarks often blur your address.

Do not put writing in newspapers or packages. If you do the matter becomes first-class mail and you must pay letter postage—two cents an ounce, or you are liable to a fine of \$10.

Written or typewritten letters placed in unsealed envelopes are subject to the same rate of postage as when sealed—two cents an ounce.

Post cards in transparent envelopes will go at the rate of one cent if unsealed, provided there is nothing more than the address of the one to receive it and the name of the sender. Stamp must be placed on envelope and not on card when enclosed in transparent envelope.

Post cards containing writing and enclosed in transparent envelope, whether sealed or unsealed, must bear a two-cent stamp and the stamp must be placed on the envelope instead of the card.

Send money by postoffice money order, for if it is sent in this manner, if lost in the mails the Post Office Department will issue you another order.

Send valuable papers or merchandise by first-class registered mail, for the Post Office Department will make good any loss in the mail not exceeding \$25.

Patrons of postoffice can get better service by renting a box. If you have a box the postmaster's work is lightened, and your mail is not handled or looked over like it is in the general delivery. The Post Office Department makes great conveniences for you, so do not hesitate to help in return.

When you mail a letter or package see that it is substantially done up. The rapid handling of the mails sometimes destroys a poor envelope or covering of a package, and your mail is thus lost.

You should put your name and postoffice on the package, and if not delivered it will be returned to you, but you will have to repay the postage (unless it is first-class.)

When you move to another postoffice notify the postmaster from your former postoffice to forward your mail and notify the publishers of your papers that you have changed your postoffice.

Letters from the pension agency can be delivered only to the person to whom addressed or to some member of his or her family especially authorized to receive the mail.

If you have friends visiting you, have their mail sent in your care.

Use an ordinary size envelope and have on it your return card; if it is not delivered it will be returned to you, and not go to the Dead Letter Office, as thousands of letters do.

If you receive a letter by mistake and it is not yours, don't open it, but return it promptly; and if you do open write on envelope "opened by mistake," and sign your name.

For Sale—Farm of 160 acres, 75 acres bottom land, all timber necessary for farm use, good 6 room dwelling and all out buildings, barn 60x82. Located on State road, 3 miles N. Pure Seed for Farmers.

Frankfort, March 1.—Agricultural Commissioner M. C. Rankin has sent out a letter to the farmers of Kentucky urging them to co-operate with him in the movement for pure seeds. He says:

"To the Farmers of Kentucky: As the farmers of Kentucky have been imposed upon for years thru buying adulterated seed, I feel that as commissioner of agriculture, I should do something to help them.

"I want every farmer, when he buys seed, to find out from whom the seed is bought, and then send a sample or samples to the Agricultural Experiment Station at Lexington, Ky., to see if it is pure or adulterated before it is sown. The seed will be examined and returned with the results of the examination.

"The honest seed dealer will be benefitted and the dishonest one will be put out of business, if it is in my power to do so. The farmer will know what he is sowing and what the harvest will be.

"If the farmer sows seed without having them inspected I want him to report the harvest to me, telling me from whom the seed was bought and the results.

"By so doing you will benefit this department, yourself and other farmers throughout the state. Impure seed and adulterated seed must be done away with. When you get your samples get them down in the middle of the sack or package and not from the top.

"Thanking you for your hearty co-operation in this matter, I beg to remain, your servant,

"M. C. RANKIN,

"Commissioner of Agriculture."

Like a Man.

That man "Exchange" says some mighty good things, occasionally, and here is one of them. "A newspaper is like a man—because generally it reflects some man—and it should be judged as a man should be judged; largely and on the whole. No man lives a perfect life; no editor prints a perfect paper. If an editor is honest, he is bound to offend some one every day of his life; if he doesn't offend some one the editor is namby-pamby and flabby. The same thing is true of the average man. A newspaper is bound to make mistakes; in getting news it must necessarily take hearsay. But if, in the long run and in the main, week after week and year after year a paper stands for decency, for honest thinking and clean living, if it speaks fair for those who are trying to do good, and condemn sneaks and cheats and low persons, that is a good paper.

Be Natural.

One reason why so many girls and boys, men and women, too, are uninteresting is because they try so hard to be like somebody else rather than be content to remain himself or herself in life. In nature you don't see an oak posing as a yellow leg, or a horse as a cow, or a lily as a rose, or a lilac as a peony, or a dog as a cat. Be natural and you'll be all right. Many a girl without the slightest talent for music is running a piano who should be making bonnets or bread; and many a boy is studying for a learned profession whose proper sphere is the machine shop or the mill; many a man is splitting up the churches who ought to be doing good service in some institution of learning, teaching or working on a farm, and many a woman is trying in vain to be a leader of society when she should be a model housewife in her own home.

THE VERY BEST.

Have any of our readers seen a recent copy of the Cincinnati Weekly Enquirer? If not, it will pay to send for a copy, if for no other purpose than to note its present great worth as an educator in all things that tend to make life prosperous, and home, the happiest place on earth.

The editor by asking its readers to criticize and suggest improvements; and following advice thus obtained is enabled to produce a paper that exactly fits needs of a family and a material aid to father, mother and children in reaching that higher level in social life, where content and comfort reigns supreme.

Father obtains ample information that guides in the where, when and how to regulate and increase the income from his efforts. The mother in management of household affairs, practical economy, government of children, and other duties that makes her toil a labor of love. Children's minds and hearts are freed from thoughts of questionable amusements and frivolities of life, and encouraged to emulate all that is helpful in planning for a useful future in life.

The Grand Idea being that; "As are our Homes, so will be the Community, State and Nation."

A most desirable help, is a non-sectarian sermon each week, as preached by that Biblical Student Pastor Chas. T. Russell; a forcible reminder of the spiritual and temporal rewards gained by righteous living as preferable to a Godless life that brings nought but misery to the home.

Other departments and features are above the ordinary, the unanimous verdict of its readers being: "The cleanest and best family Weekly known to them."

The Test That Tells.

DOTHAN, ALA., Jan. 21, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Gentlemen—About one year ago two
of my children suffered badly from weak
kidneys and diabetes; their urine was
very bad and they would have severe
spells of dizziness, and were all run down
in health. I was just about discouraged.
I tried several remedies and finally a doctor,
but they did not seem to improve.
I knew of a friend who was taking Swamp
Root for kidney trouble with good results,
and I decided to get some for the children.
I noticed there was some improvement
after they had taken two large bottles,
and continued to give it to them until they
had taken half a dozen bottles and were well
on the road to recovery. I think Swamp Root
has done more for my children than any other
medicine I have tried and I recommend it
to one having children who suffered as mine
did.

Gentlemen—Some time ago I was
troubled with kidney trouble; had severe
pains in back and hips. Was treated by
a physician, but without any benefit. I
noticed some Swamp Root advertising
and resolved to give it a trial. After
taking four bottles I was completely
cured. Have not suffered any pain at
all since and can recommend Swamp Root
to anyone suffering from kidney trouble.
Sincerely,
Mrs. E. V. STEVENS.

NEW ROADS, LA., Jan. 22, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Dear Sirs—I write today to the public
that your Swamp Root cured me of kidney
trouble. I was almost past going;
having spasmodic spells with my kidneys
that were breaking down my constitution.
The best medical aid was employed and
they pronounced my trouble as alkali
in the kidneys, but were unable to
do me any permanent good.
I took four bottles of Swamp Root and
became a well man. This was six years
ago and I have had no trace of the trouble.
Yours for suffering men,
Rev. J. R. TAYLOR,
Pastor Baptist Church, New Roads, La.

Results After Using.

BOSTON, GA., Jan. 13, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Gentlemen—Some time ago I was
troubled with kidney trouble. I thought
for some time I was suffering with diabetes.
I had severe pains in my back and
hips. A friend recommended Swamp
Root, and I decided to give it a trial. I
obtained a bottle from a druggist and
after taking a few doses, felt relieved.
After taking several bottles the pain was
entirely gone and I have not suffered the
slightest since. I cannot be too enthusiastic
in my praise of this wonderful medicine
and it gives me great pleasure to
give testimonial in regard to its merits.

The Value of a Remedy is Proven By Its Cures.

ELKWOOD, ALA., Dec. 14, 1908.
Dr. Kilmer & Co., Birmingham, N. Y.
Dear Sirs—I have derived such great
benefit from the use of your remedy,
Swamp Root, that I believe it to be most
important for the public to know its
worth. For the past ten years I have
been the most miserable of men. Did
not know what the trouble was but had
to urinate very frequently both day and
night; was all pulled up generally. Could
not sleep more than a couple of hours at
a time; was greatly distressed after eating
a meal, and was about worn out. I
had tried nearly everything I could see
advised and hear of, without helping
me to any great extent, until finally in
October last at Ripon, Wis., I purchased
a one dollar bottle of Swamp Root and
commenced taking it according to directions
and I followed that with another
bottle and experienced such great relief
and benefit from same that I purchased
five dollars worth at Huntsville, Ala.,
and continued its use and am now taking
it, but in smaller doses and twice a
day in place of four times a day, and believe
by the time present supply is used
up I will be entirely well. I am feeling
better now than for ten years past. Can
eat and sleep first class, in fact, I am
feeling so good that I cannot resist telling
you about it. You are at liberty to
publish this testimonial if you wish.
Very respectfully,
THOS. STALLARD, U. S. A., Retired,
Box 7, R. R. No. 2, Elkwood, Ala.

A Prominent Mason.

JACKSON, TENN.
According to my experience, I do not
consider there is anything to equal
Swamp Root for kidney affection.
Twice it relieved me when I was completely
helpless.
The last time I was traveling in Texas
when my kidneys became affected, and
for ten days I suffered excruciating pain,
accompanied with severe chills. Several
years previous, having been relieved of a
similar attack, I naturally sought relief
as before from Swamp Root.
After using four of the large size bottles,
I was completely restored and went
on my way rejoicing and praising Swamp
Root. This was three years ago and I
have had no indication of a return of the
affliction.

DONALDSONVILLE, GA., Jan. 20, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Gentlemen—About four years ago I
suffered from kidney trouble and rheumatism
in my hips. The pain across my
back became so severe that I could hardly
straighten up and could not walk without
dragging my feet. I would urinate
frequently and would have to rise two or
three times during the night, causing me
to suffer from loss of sleep. And with the
pain I was all run down and began to
lose flesh. I saw Swamp Root advertised
and bought one bottle to try it. After
taking it I felt better and could sleep all
right at night. I continued to take it
until I had taken four large bottles. I
was entirely free from any pain in the
back and began to gain in weight. I always
recommend Swamp Root to my
friends as I think the cure in my case
remarkable.
Yours very truly,
M. H. HICKSON, Donaldsonville, Ga.

WAYCROSS, GA., Jan. 5, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Dear Sirs—During last October I suffered
from my kidneys.
I consulted my physician, who prescribed
for me, but his treatment did not benefit
me. After reading some Swamp Root
literature, I decided to give it a trial.
After taking a few doses, I felt somewhat
relieved, and after two \$1 bottles had been
taken, I had no pain and was completely
cured. I have not had the slightest pain in
my back or hips since. From my own experience,
I can cheerfully recommend Swamp Root to
any one suffering from kidney trouble.
Yours very truly,
SIMON MARTIN.

Beneficial in Severe Cases.

EDGEFIELD, TENN.
Dr. Kilmer & Co., Birmingham, N. Y.
Gentlemen—I hardly know how to
express my appreciation for the good your
Swamp Root has done me. I had been
greatly troubled with my kidneys, and
with pain in the back; also with what the
doctors termed inflammation of the neck
of the bladder. Sometimes my back
would get in such shape that I was almost
helpless. I had tried several doctors and
medicines to no good effect, and finally
I noticed in some paper where Dr. Kilmer
proposed to send a sample bottle of his
kidney medicine, Swamp Root, free by
mail. I sent at once and received promptly
my sample bottle. After taking it I
found it did me good. I then purchased
two bottles from our merchant, Mr. W.
J. Elizer. After taking the medicine I
felt like a new man, and each day rode
five miles to teach school. You are at
liberty to use this letter, or refer anyone
to me, as I will always be glad to tell
them what a wonderful remedy this
Swamp Root is. Mr. James Ivens, of
Sanderaville, Tenn., is taking it with
good results. Very truly yours,
D. A. MONTGOMERY,
Member Tennessee Legislature,
Rural Route No. 24, Edgefield, Tenn.

Mail Carrier's Experience.

BLOUNTVILLE, TENN.
I have been a rural letter carrier for
over five years. Some two years ago I
was taken with severe pains in my back.
I used medicine from my family physician
for several months without any benefit.
A friend, J. D. Nelson, advised me
to try your Swamp Root, but I had no
faith in it. I continued to grow worse
and at last decided to try this remedy
and bought of Long Bros., a 50c bottle
which gave me great relief. I then bought
two \$1 bottles, which I can truthfully
say have completely cured me.
Had it not been for Swamp Root, I
would have been compelled to quit the
rural free delivery service.
I advise all mail carriers who get pains
in their back that Swamp Root will cure
them.
I was so bad that very often my wife
would have to help me to arise.
M. R. HENDRICKSON,
Rural Letter Carrier, Route No. 2.

BRINSON, GA., Jan. 20, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Gentlemen—Some time ago I suffered
severely with pain in my back and hips.
My back pained me continually and I
felt miserable. A friend recommended
Swamp Root. I obtained and took the
contents of two bottles when I felt relief.
My back has not troubled me since and
I can thoroughly recommend Swamp
Root to anyone suffering from kidney
troubles, as I find it afforded me great
relief. Yours very truly,
REV. E. T. DAWSON.

Results It Has Proved.

DOTHAN, ALA., Jan. 21, 1909.
Dr. Kilmer & Co., Birmingham, N. Y.
Dear Sirs—Have been suffering more
or less from kidney trouble for the last
five years and was induced to try your
Swamp Root. Am happy to say, or give
you testimonial, that it has cured me. I
am a traveling salesman for Messrs. Colgate
& Co., New York, and am always
traveling on the road. Drinking the
different waters affected my kidneys.

SAMUEL WOLF.

KENTUCKY KERNELS

Carefully Collated and Concisely Chronicled.

Within the past week over 100 cars of
coal were carried over the L. & E. road
into Winchester destined for Panama.

In a pistol fight between J. Lee Curti-
mond and Jack Hardin, on the streets of Rich-
mond one day last week, the former was
dangerously wounded.

E. B. Bartlett, a Baptist minister of
Lee county, lost his horse by drowning
and was himself seriously hurt by his
wagon overturning, carrying man and
horse down a steep embankment into the
Kentucky river.

A pistol fight between Conductor
Frank C. Blevins, of a C. & O. train be-
tween Ashland and Pikeville, and W. A.
Pruitt and his son, John Pruitt, resulted
in the death of Blevins and the elder
Pruitt, and the wounding of a passenger
whose name was not ascertained.

Governor Wilson has issued a procla-
mation designating April 2 as Arbor day
for Kentucky, and in connection with it
writes a letter "To all the boys and girls
of Kentucky," urging them to "stick in
at least one tree on Arbor day and make
plans to start many trees every year."

Sherman Blanton. Nathan Blanton,
Jack Blanton and Pearl Blanton were
taken from Harlan county to London to
await their trial next June for the killing
of F. R. Blanton, near Layman, Harlan
county. Owing to the fact that the de-
fendants were so extensively related in
Harlan county the case was transferred
to London.

The heavy rains in the early part of
last week caused more high waters and
damage to property, public and private,
than has been known in Kentucky for
years. The Kentucky river rose forty
feet in twenty-four hours, and overflowed
the lower part of Frankfort, known as
Craw, and in some parts of Lexington
the water stood eight feet deep in the
streets.

Leo Jones, aged 12 years, was arrested
last week at his home at Whitley Sta-
tion, about 30 miles from Somerset, and
admitted to placing two derailleurs on the
Q. & C. track "just to see the big engine
jump," setting fire to two dwellings, two
or three barns and riding a two-months-
old calf to death. The youngster told
the officers of his doings with as little
concern as if it were part of his daily
life and laughed while they were question-
ing him. He was taken to the state
school of reform.

A short time since officers from Ken-
tucky and Tennessee simultaneously raid-
ed the "blind tigers" doing business on
the borders between the two states and
captured a large number. At the recent
session of Whitley Circuit court, held at
Williamsburg, ninety cases were tried
and fines aggregating \$15,000 were im-
posed, besides the jail sentences. One
woman was fined \$610 and 110 days in
jail, while others were mulcted in sums
ranging from \$60 to \$100 and jail sen-
tences from 10 to 90 days. The jail sen-
tences will all be worked out on the rock
pile.

Mayfield—North of town the water is
in places four miles wide and in that area
there are homes whose inmates have
either been driven to the hills or to the
lofts and roofs. Scores of bridges are
gone and in places public roads are ob-
literated.

Paris—Stoner creek and smaller streams
are higher than in the memory of the
oldest inhabitant. Ruckerville, a negro
suburb of Paris, was submerged, 30
families being driven from their homes.
Much damage has been sustained by
farmers in the loss of lambs and hemp.

Lexington—The section of the city
known as Chicago bottoms, Davis bot-
toms, Brucetown and other quarters, oc-
cupied by the poorer residents, are com-
pletely submerged. There was much
distress and considerable loss of house-
hold goods in the flooded districts. Trains
coming into Lexington on all roads were
late.

Owensboro—Thousands of acres of
land in Davies and Owen counties are
under water and all of the small streams
in the Green river section continue to
rise at an alarming rate. Scores of fam-
ilies have been forced from their homes
in the lowlands and live stock is being
rushed to the hills. Railroad traffic is
suspended.

Owingsville—Licking river and Slate
creek continue to rise, and the people in
the towns of Farmers, Salt Lick and
Wyoming are believed to be in great
danger. Some are leaving in boats, while
others are taking to upper stories of their
homes. Coleman Resor's house at Salt
Lick was destroyed by fire. The family
escaped in boats.

Mt. Sterling—Heavy rain caused heavy
damage in Montgomery county. Slate
creek is higher than ever known, the
water running up to the bridge, putting
the pumping station of the water com-
pany out of business. Hinkston creek
overflowed and a number of residents had
to move out. A party of men looking at
timber in Powell county were cut off and
had to swim the Red river three times.

Suffering Ladies

are urged to follow the example of thousands of
their sisters and take Cardui. Cardui is a non-
mineral, non-intoxicating medicine for women. It
is for sick, weak ladies, with sick female organs.

TAKE CARDUI
It Will Help You

It is a genuine, curative medicine, that builds
up the female system and relieves female pain.
Mrs. M. A. St. Clair, of Eskdale, W. Va., writes:
"Before taking Cardui, I had given up all hope of
getting well. I had suffered for 3 years with my
left side and was confined to my bed, so I took Cardui,
and now Cardui has about cured my female trouble."

IF YOU NEED A MEDICINE YOU SHOULD HAVE THE BEST.

SWAMP-ROOT is not recommended for everything, but if you have kidney, liver or bladder trouble, or obliged to go

due to kidney trouble, Swamp-Root will be found just the remedy you need.

DON'T BE MISLED.—For instance, when you ask for Dr. Kilmer's Swamp-Root, the Great Kidney, Liver and Bladder
Remedy, don't allow any druggist, drug clerk or store keeper to persuade you into buying something else

profit, but you are humbugged at the expense of your health.
